Dear *Liz*

### Carol Concert 2008

I write to thank you and the Choral Society for the splendid performances that were given last Saturday! I have had many comments saying that the Concerts were a great success and much of this success is due to the major part played by the choir, at both performances

Please pass on the thanks of the Rotary Club to all members of the choir and particularly to John Hancorn for the hard work that must have been put in to reach the standard shown and for his brilliant leadership and direction.

I shall of course, let you know the outcome of the concerts when the figures are available that I hope will not be long delayed.

Sincerely and with Season's Greetings.
